Greenway Park

Round 5, Saturday 8th May was the first round of Home games at Greenway Park for the Holsworthy Tigers. I would like to congratulate the many Volunteers for their hard work in making this day possible. Thankyou to all the people who helped with bringing the goalposts to a reality (although Council hasn't quite got them in the ground yet!) and to those that contributed with the thankless tasks such as cleaning the facilities, assisting in the canteen or acting as Officials on game day. In particular I would like to personally thank the following for their fine efforts: Noel & Cheryl; Guy; Melanie and Debbie. Great work guys, you are all a credit to your Club. Paul Prepost.

Under 8's Behaviour

It has been brought to my attention by the coaches and managers that some of the U/8's are misbehaving at training. Some players are not listening to their coach and are also distracting the other children. Parents are required to attend training with their children for safety reasons and to assist the coach with disciplinary action as required. Your assistance with this issue is most important. Paul Prepost.

Coaches Corner

Under 8's Yellow. Coach Mick Bell:

Round 5 - Last weeks game was against Ingleburn Magpies. The players put in another great performance and were never giving up. The Captain Daniel Flahaven led the team well, resulting in him receiving the player of the week award. It is very pleasing to see the improvement of all the players week after week and this week was no exception. Special thanks goes to Nicholas and Lachlan for showing good sportsmanship in playing for the magpies as they were short in numbers. In our next game we will be playing the magpies again, so lets put in another big effort. Well done to all of the players. **Round 6** - Is with Ingleburn at Memorial Oval.

Under 8's Black. Coach Brett Richards:

Round 5 - A great game was had with Camden. All the players are coming along very well and the hard work at training is really starting to pay off. **Round 6** - Is with Liverpool at Memorial Oval.

Under 10's. Coach Glenn Cochrane:

Round 5 - The team played Camden for the first time this year and we met a very good side. Zac Shirt came up from the Under 8's and showed a very good level of skill and was rewarded with an award. Other good players on the day were Kade Wiggins (BOG), Shaylee Lobb, Mitchell Wurr and Morgan Cochrane. Kyona Koren is showing solid signs of improvement. Camden showed us how well a team can play if we do a bit of homework. Get those footballs out at home and practice the basic skills so we can give them a run for their money next time. **Round 6** - Is against Ingleburn at Memorial Oval.

Under 12's. Coach Paul Prepost:

Round 5 - The 12's were up against a fit, well drilled side in Camden. After a slow start in the first and second quarters, the team really started to show some fight. We will need to start games off as we are currently finishing them, if we are to be competitive in the future. Best players on the day were Michael Prepost, Lewis Dawson, Jaye Tyrrell and Jeff Sinclair. Our thanks from the Tigers Under 12's go to Glenn Cochrane for helping out with coaching duties on the day. **Round 6** - Is against Ingleburn at Memorial Oval

Under 14's. Coaches Russell O'Brien and John Freeland:

Round 5 - Was another hard fought game against Wollondilly. All players contributed well during the game and despite the solid effort by the team, Wollondilly proved the better side on the day, running out winners by just over two goals. **Round 6** - Is against Camden at Memorial Oval.

GOOD LUCK TO ALL TEAMS THIS WEEK – GO TIGERS!
